

Would you rather
always be ten minutes
late or twenty
minutes early?

Would you rather always
have to speak what's on
your mind or never
speak again?

Would you rather have a
rewind button or a pause
button on your life?

Would you rather have to
shout or whisper
everything you say?

Would you rather
have to crawl
everywhere or run
everywhere?

Would you rather use
eye drops made of
vinegar or toilet paper
made from sandpaper?

Would you rather have to
sing along to every song
you hear or dance along
to every song you hear?

Would you rather
never wait at a red
light again or never
stand in a line again?

Would you rather
always laugh at sad
things or always cry
at funny things?

Would you rather have
a horse's tail or a
unicorn horn?

Would you rather find
your soul mate or a
suitcase with ten million
dollars inside of it?

Would you rather
never get angry or
never get jealous?

Would you rather always get away with lying or always know when someone else is lying?

Would you rather be the most popular person at work or school or the smartest?

Would you rather not be allowed to wash your hands or your hair for a month?

Would you rather wear a coat to bed every night or sleep with shoes and socks on every night?

Would you rather
spend 48 straight
hours in a public
restroom or a
morgue?

Would you rather
always feel itchy
or sticky?

Would you rather
never get a headache
again or never sit in
traffic again?

Would you rather
have to eat a bowl
full of worms or a
live frog?

Would you rather
have many friends
or one very best
friend?

Would you rather move
to a new city every
year or never be able
to leave the city you
were born in?

Would you rather
always have chapped
lips or terrible
dandruff in your hair?

Would you rather
play a villain or a
hero in a movie?

Would you rather wear clown makeup or a tutu every day for a year?

Would you rather be without elbows or knees?

Would you rather never have to go grocery shopping again for the rest of your life or never have to do laundry again for the rest of your life?

Would you rather have to eat a whole onion when you wake up every morning or have to eat a half pound of cottage cheese right before you went to sleep every night?

Would you rather live
with one thousand
spiders in your house
or ten in your bed?

Would you rather
wear a cape or an
eye patch everywhere
for one month?

Would you rather
have nosy neighbors
or noisy neighbors?

Would you rather be
a kid or an adult
your whole life?

Would you rather
be Batman or
Spiderman?

Would you rather be
stuck on a broken
ski lift or in a
broken elevator?

Would you rather hate
your job but get a
great salary or love
your job but get a
pretty bad salary?

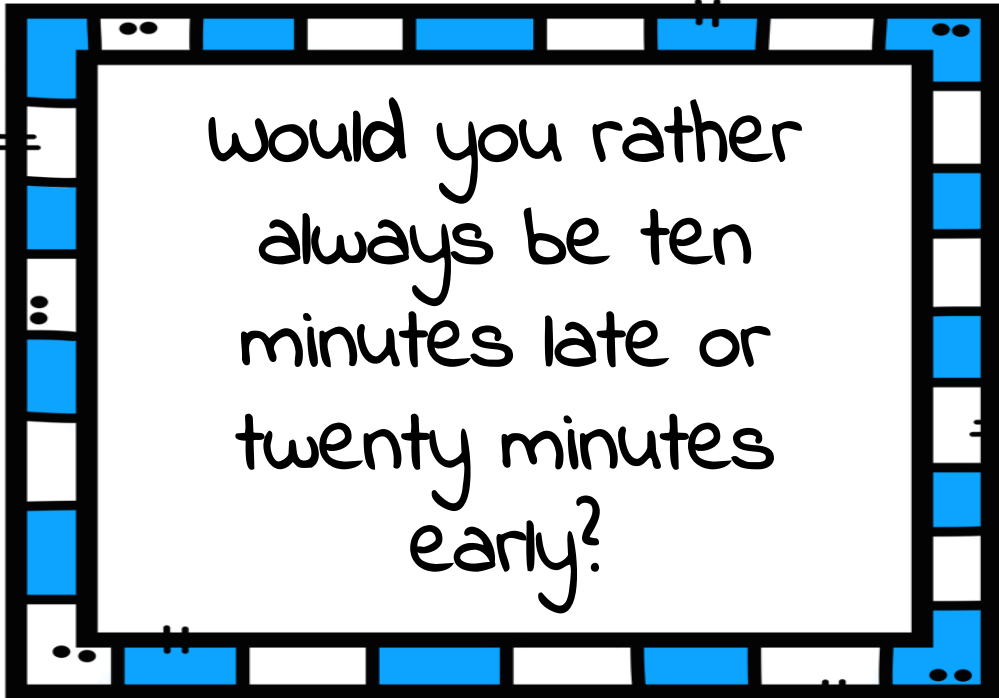

Would you rather have a
bright red clown nose or
have humongous clown
feet that squeaked when
you walked?

Would you rather be unable to use search engines or social media for the rest of your life?

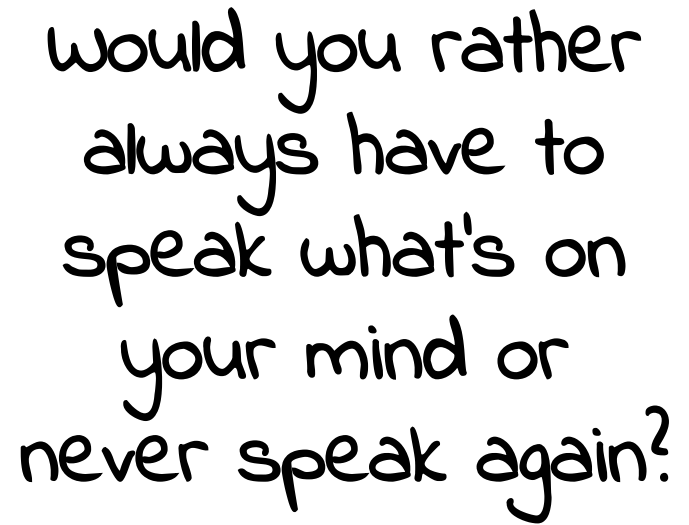

Would you rather be able to teleport anywhere or be able to read minds?

Would you rather be constantly tired no matter how much you sleep or constantly hungry no matter how much you eat?

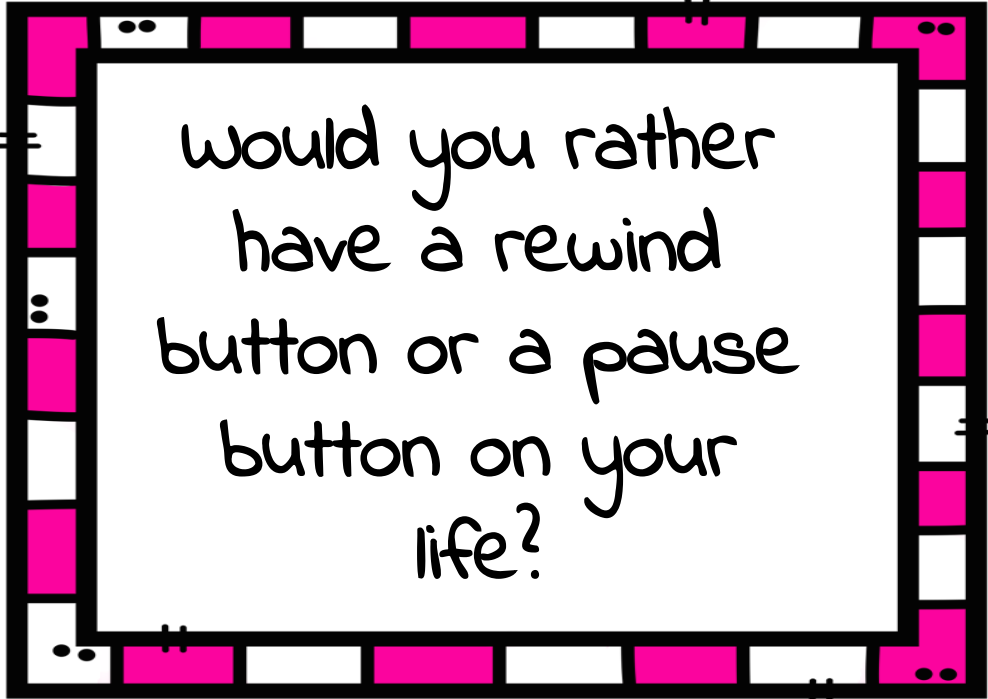

Would you rather have a clown only you can see that follows you everywhere and just stands silently in a corner watching you or have a real life stalker who dresses like the Easter Bunny that everyone can see?
