What do you like  
to do for fun?

I'm really nervous  
about our science test

I love your new  
backpack!

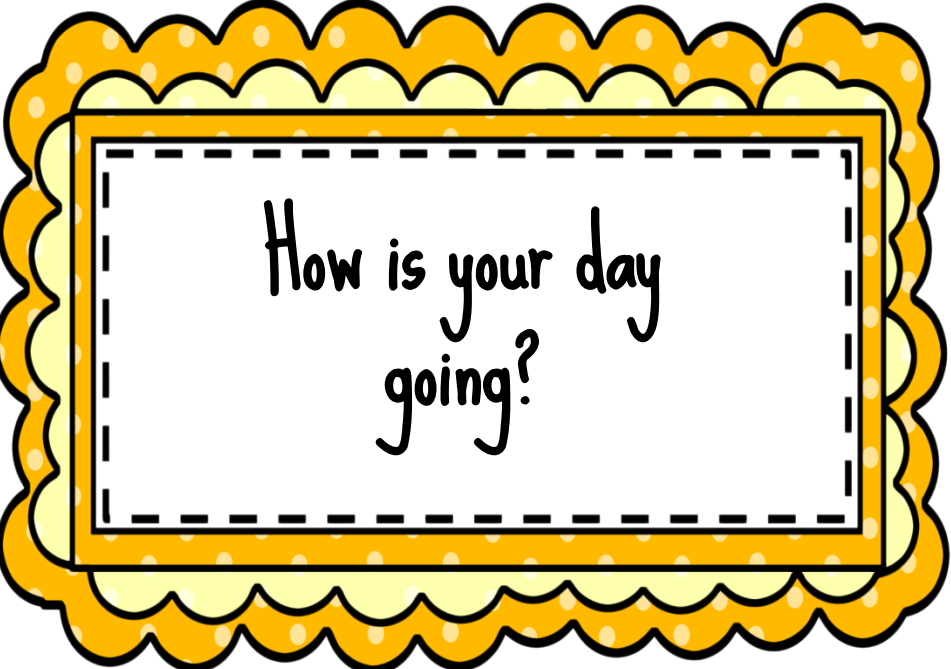

I'm being bullied by  
some classmates

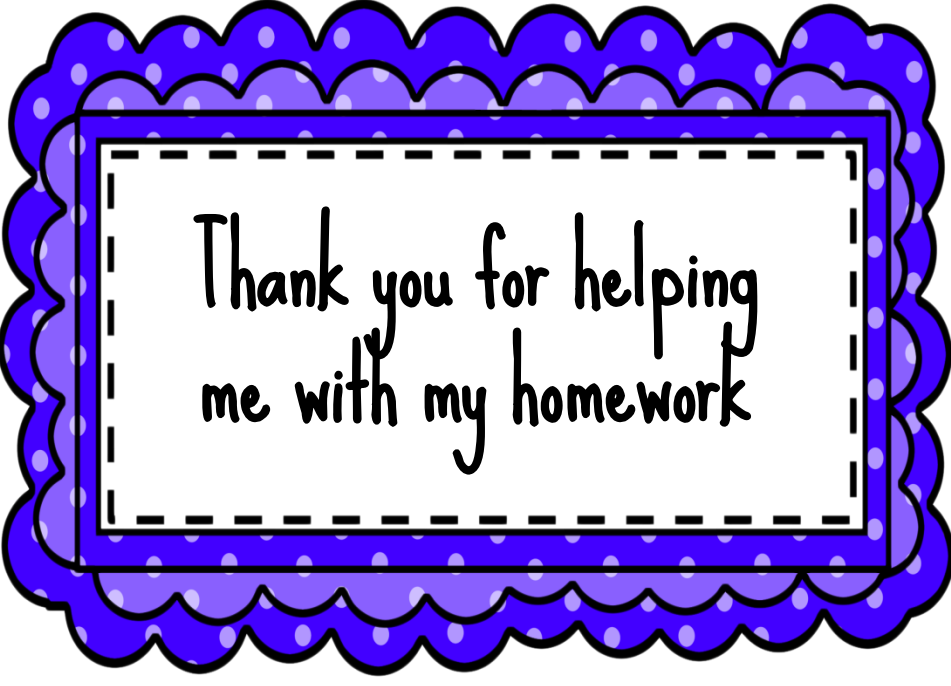

I won the  
spelling bee!

I don't have anyone  
to sit with at lunch...

How is your day  
going?

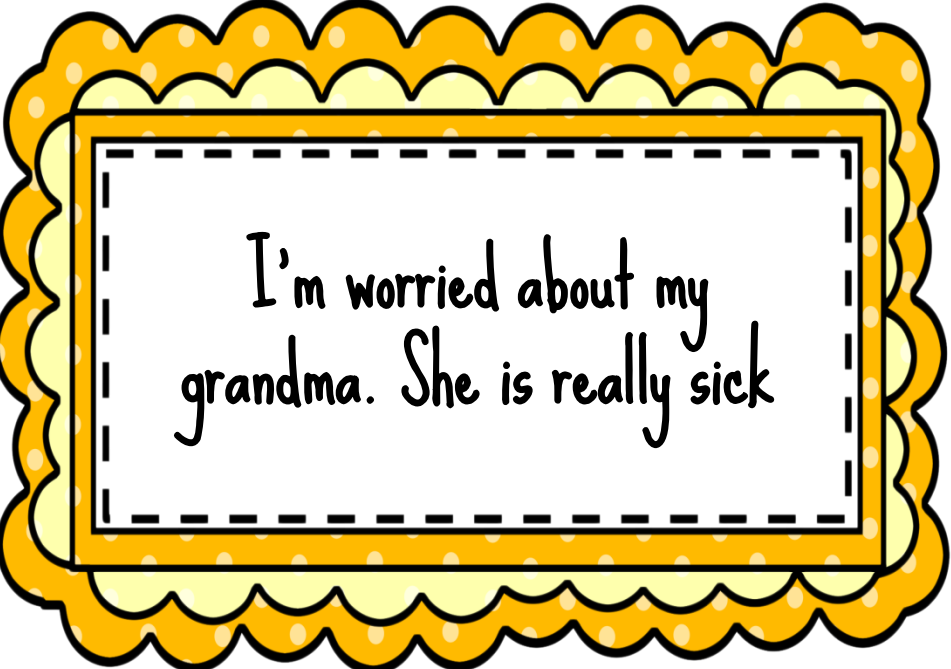

Thank you for helping  
me with my homework

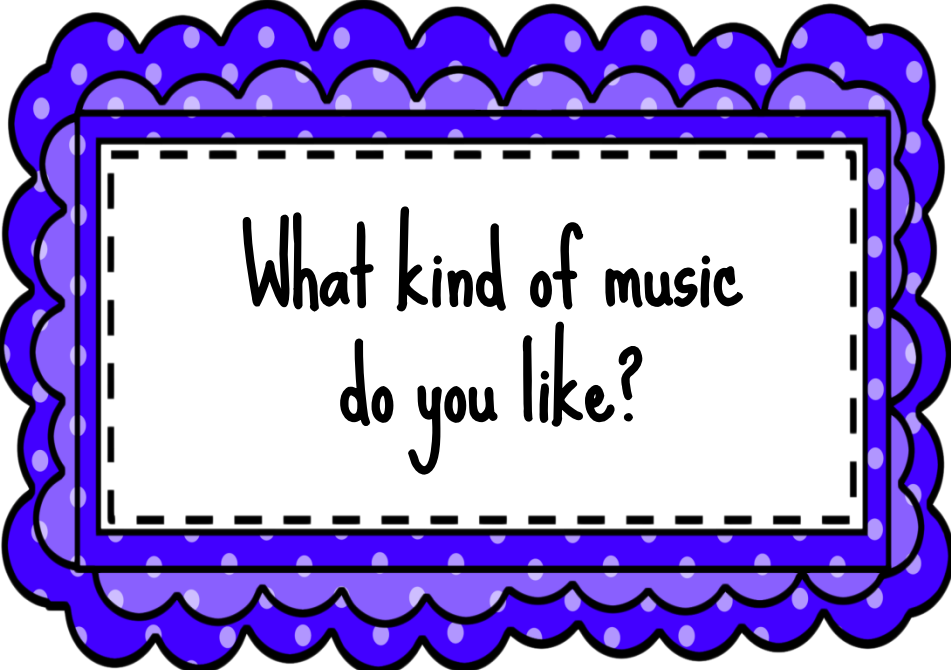

My dad is so  
mean to me

Do you want to come to  
my house this weekend?

I'm worried about my  
grandma. She is really sick

What kind of music  
do you like?

I'm going skiing  
over winter break!

We should make fun of  
that new kid in our class!

You can't use the red  
paint. I'm using it!

I'm sad that I got sick  
and missed the field trip...

Today is my  
birthday!

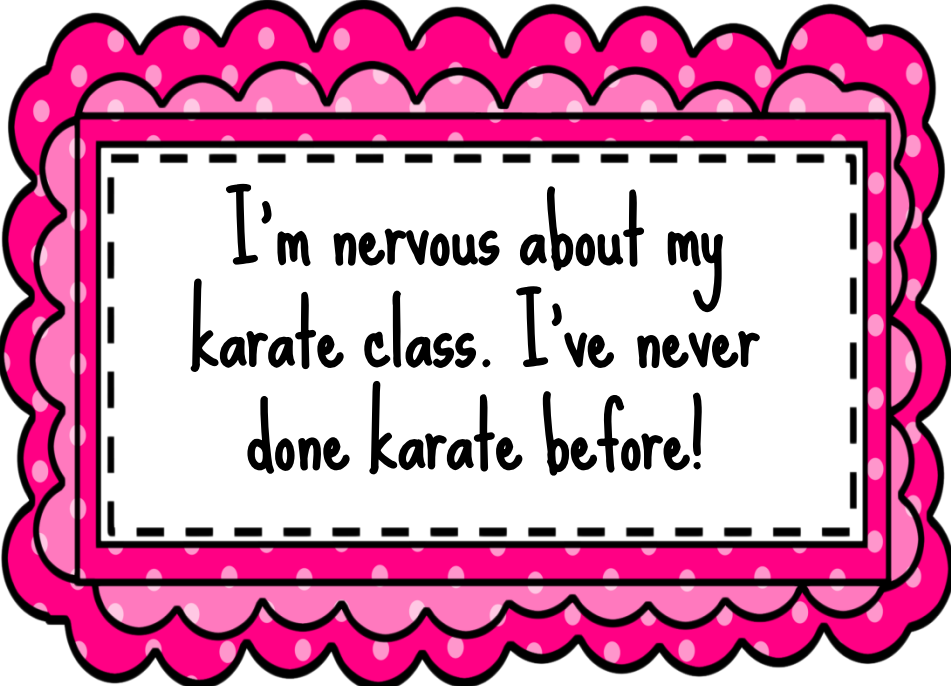

What did you do last  
summer?

I had fun with you today!

I don't like your shoes!

I'm nervous about my  
karate class. I've never  
done karate before!

What's your family like?

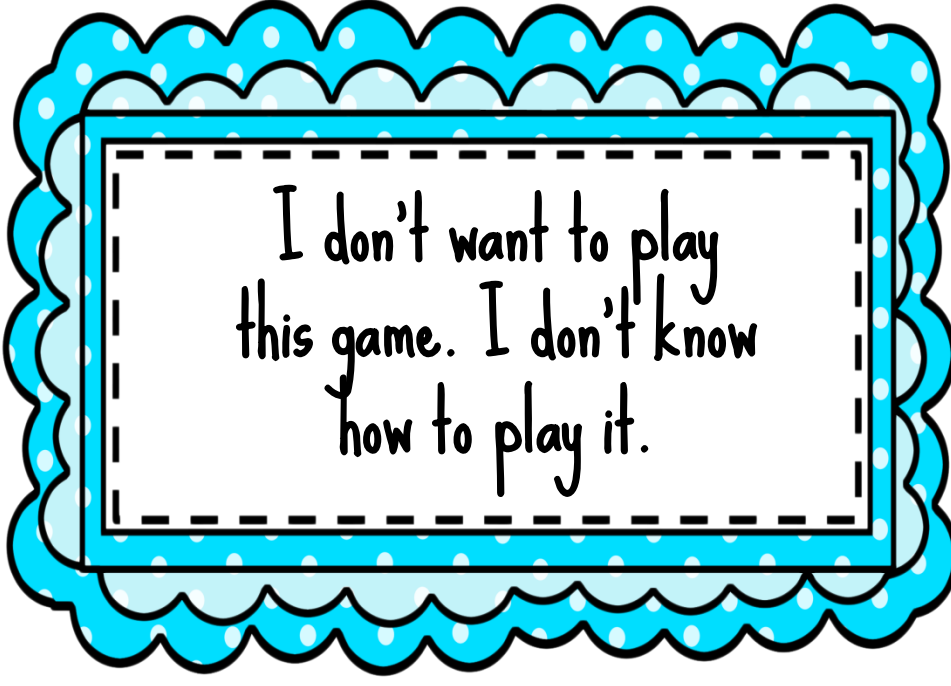

I just moved here a  
few weeks ago. I don't  
really know anyone...

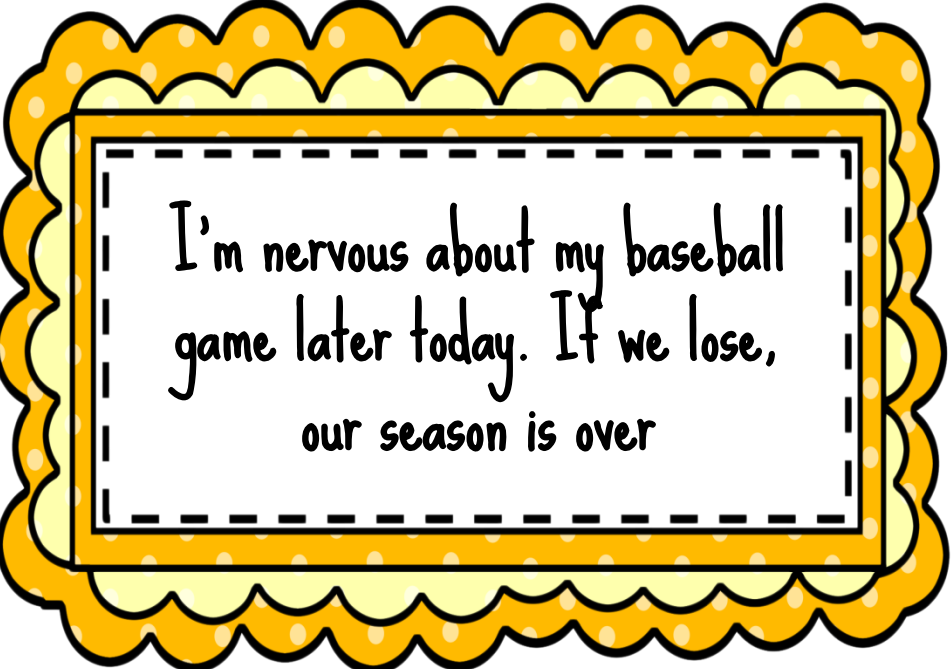

I'm sorry I threw your  
backpack into the mud...

My teacher is so unfair!

I don't want to play  
this game. I don't know  
how to play it.

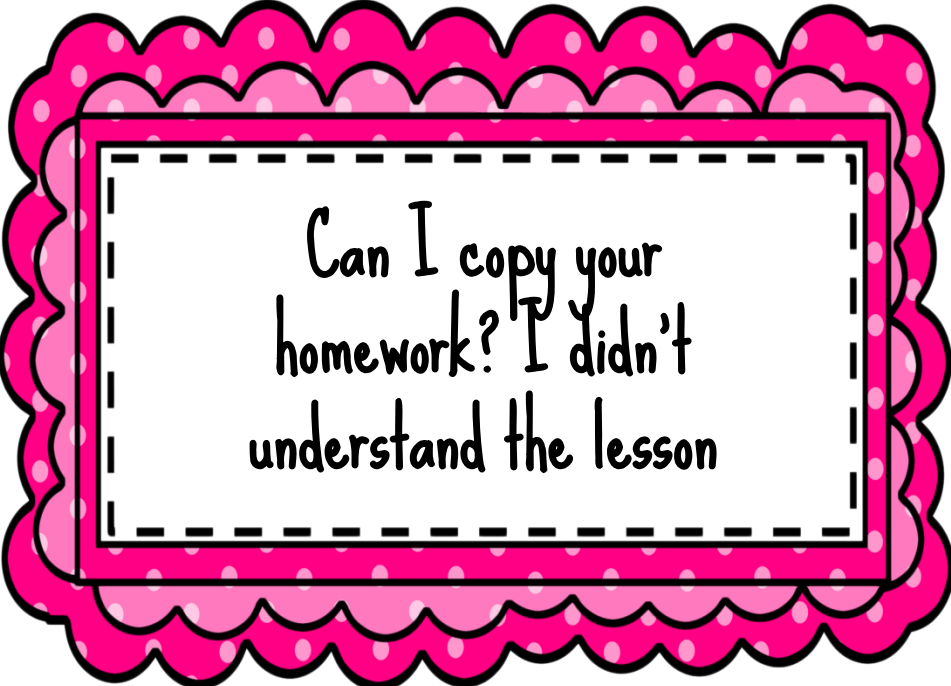

I'm nervous about my baseball  
game later today. If we lose,  
our season is over

You're really nice!

Can I copy your  
homework? I didn't  
understand the lesson

I'm very sad because  
my cat passed away this  
weekend

Will you share your  
game with me?

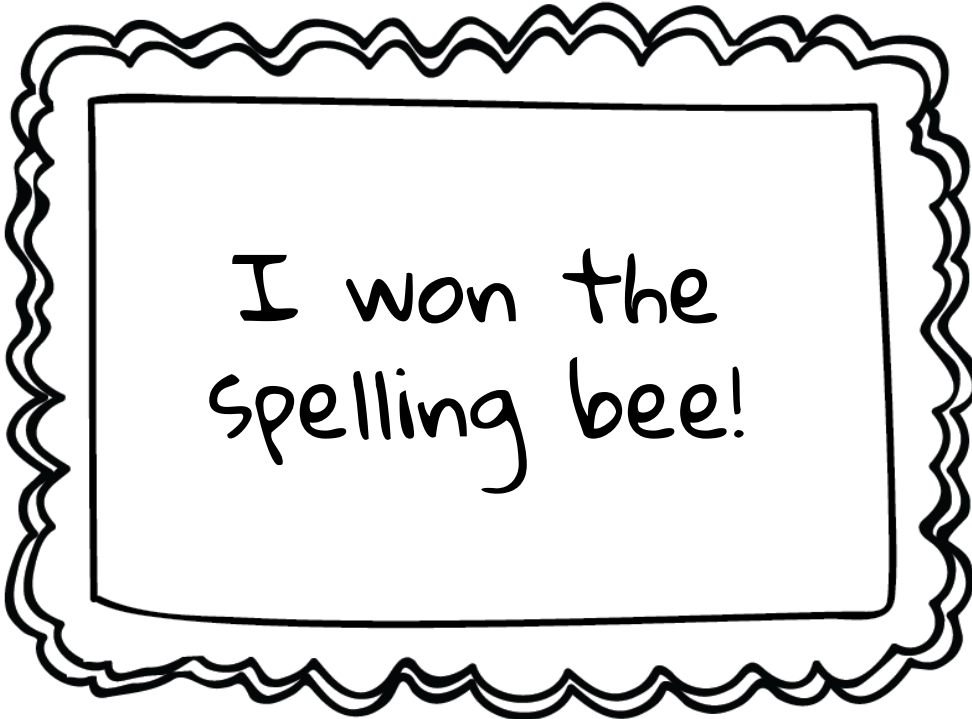

What's your favorite sport?
